

2010 Short Term Missions Opportunity in BC, Canada

Location: BC Interior

Date: May 24, 2010 - May 27, 2010

Title: Small Town Missions / Rural Missions

Language Requirement: Cantonese / Mandarin

Small Town Missions is a team of three to four people that drives to visit the towns and villages in BC Interior each year to form an outreach network.

Mission Objective: Members of the STM will network with churches across Canada to recruit and train mature Christians so that they may form visit teams to reach neighboring towns and villages.

Follow-ups: The STM will set up home fellowship and train lay leaders to nurture new believers in each location. CCM visits and sends resources to support these fellowships and their leaders regularly.

If you are a born-again Christian who cares about the Chinese living in the small towns of BC, and have personal testimonies as well as some professional knowledge to share, we sincerely invite you to become one of our team members.
